

1. Log in to [Manage.e-attend.com](https://manage.e-attend.com) and **Select Manage My Presentation:**

2. Select your **Conference, Session, and Presentation** from the drop down menus:

- To upload your presentation please select **Pre-recorded Presentation Video**. You will then click **Browse** to select your MP4 file presentation. Click **Upload** once your file is chosen.

- When you are done uploading all of your materials and have previewed them all, check the **acknowledgment box** and click **Submit my Presentation**. Your presentation has now been submitted.
